PUSH Beaver County's

path to wellness

program is proud to announce our first annual Superhero 5K and Kids Fun Run!

We got the idea from a dear friend who is battling cancer. His determination and perseverance amaze each of us. And his desire to help others in a similar situation shows us humanity at its best.

We encourage all runner to dress up like their favorite Superhero—real or fictional. We all have heroes that we look to—now's your chance to be a hero for someone else. We will be donating proceeds from the race to several local charities. You can check out our website for full details.

We will have a photographer available for photos to preserve your superhero status for posterity, refreshments and vendors in the park post-race. Bring some extra cash and support the businesses that support our event!

Irvine Park
