## Slickville 5K Centennial Challenge and 2 Mile Fun Walk

Come join us for the Slickville 5K Centennial Challenge on August 12, 2017. In the hard-working spirit of the founders of our community, this course will give you a workout as you run through our neighborhoods and challenge yourself on some backroad hills. Would you like to get some exercise and join in our centennial celebration in a slightly less demanding way? Then sign up for the 2 Mile Centennial Fun Walk instead. See back of form for race/walk maps.

The race and walk begins at 8:30 AM on August 12, 2017 on our community grounds in the center of town. Event day registration opens at 7:00 AM. Awards and refreshments follow the race at 9:30 AM. Consider staying for the day to enjoy additional refreshments, crafts and activities at our many booths. There will be musical entertainment throughout the day and a fantastic fireworks display in the evening.

## Slickville 5K Centennial Challenge Running Course

Our course will start off on a gentle downgrade as you run down Main Street in Slickville on the east side of town before making your first short steep climb up Steele Rd. From there you will skirt the southern perimeter of Elrico Park and get a downhill boost as you cross over County Rd to intersection of Sportsman's Rd. The challenge really kicks in as you climb 200 feet in less than 3/4 of a mile up the gravel backroads of our rural community before descending and crossing Rt. 819 to visit the west side of our town. You'll join back onto 819 for a short distance before crossing onto the inaugural section of the Westmoreland Heritage Trail (WHT) until you reach the parking area of our fine Slickville VFD. You're in the final stretch as you head back up Main Street and dash for the finish line in our community festival grounds.

## Slickville Centennial 2 Mile Fun Walk

This gentler course will again take you down Main Street Slickville and you can visit the east side of town but avoid the climb up Steele Rd. After crossing the County Rd, you can bypass the challenge of Sportsman's Road by hopping on the WHT for a more comfortable walk back to the finish line on the festival grounds.
