On April Fool's Day 1979 over 850 runners lined up at the starting line of the 1st Fool's Run 10K Race. 40 years later we are proud to say we've carried on the tradition! Call it "Runner's Endurance" or "Foolish Pleasure" the IRRC is thrilled to be able to continue the tradition of sponsoring one of the oldest, if not the oldest, 10K's in the state of Pennsylvania. Much has changed over the years; we've got better shoes, longer shorts, and slower times but the love of the race is still in our hearts! Please plan to come and linger a little after the race to swap stories of your favorite "Fool's Run" memory.

If you know someone who ran the 1st Fool's Run in 1979 tell them we want them to come help celebrate. A list of finishers from the 1979 race is available on the IRRC Website. A Special course for those original runners who might want to participate in a "shorter course" will be available! We want to honor those of the past who got the race off to a great start. Races aren't just about your finishing times, they are about making memories and friendships with those who share our passion! Questions about the 40th celebration?
