

Help Jon Walk 5K Run/Walk

June 23, 9 AM, New Castle Y-Zone

The New Castle YMCA and friends of Jonathan Wherry are preparing a 5K run/walk for his benefit at 9:00 am on Saturday, June 23, 2018. We are kindly asking if you or your organization would be interested in providing financial support. Many of you know the Wherry family. Their son Jon was recently paralyzed in a car accident. He is making remarkable improvements but has exhausted insurance benefits. As a former cross country and track runner at Neshannock High School and Ohio Northern University we think a 5K is an appropriate fund raiser to help him continue rehabilitation to get back into the community! Charitable donations for the 5K run/walk can be made at three sponsorship levels:

PLATINUM --- \$1000 Start & Finish Line Signage, shirt logo

GOLD---\$500 will include mile marker in your name, shirt logo

SILVER---\$250 will include sign recognition , shirt logo

BRONZE---\$100 will include shirt logo

Sponsors are welcome to provide business cards, flyers or other promotional items for placement in runner's bags or to advertise at the event in person. To become a sponsor, please send a .pdf, .jpg, or .tif file to clarks142@comcast.net or mail or drop off a business card, flyer or logo with your sponsorship check, (made payable to New Castle YMCA, note "Wherry 5K" on check) to the address below.

New Castle YMCA
