Slickville 5K Coal Mine Climb and 2 Mile Fun Walk

Come join us during Slickville Community Days for our 5K Coal Mine Climb on August 11, 2018. If you participated in our 5K Centennial Challenge last year, we've modified the course to make it even more challenging as you will now run up and past the famous Slickville sign on the slate mound overlooking the town. Would you like to get some exercise in a slightly less demanding way? Then sign up for the 2 Mile Fun Walk instead. See back of form for race/walk maps.

The race and walk begins at 8:30 AM on August 11, 2018 on our community grounds in the center of town. Event day registration opens at 7:00 AM. Awards and refreshments follow the race at 9:30 AM. Consider staying for the day to enjoy great entertainment from some local bands, a car show, additional refreshments, crafts and activities at our many booths.

Awards will be given to the top three overall male and female runners and the top 3 male and female runners in the following age groups: 14 and under, 15-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70 and over. Pre-registered runners and walkers (before 7/31) are guaranteed a commemorative T-shirt. Chip timing for runners provided by Miles of Smiles.

Slickville 5K Coal Mine Climb Running Course

Our course will start off on a gentle downgrade as you run down Main Street in Slickville before making your first short steep climb up Steele Rd. From there you will skirt the southern perimeter of Elrico Park and get a downhill boost as you cross over County Rd to the intersection with Sportsman's Rd. The challenge really kicks in as you climb 200 feet in less than 3/4 of a mile up the gravel backroads of our rural community before descending Rt. 819. Turning in at St. Sylvester Church, you'll pass through the gate to your final challenge – climbing and running past the landmark Slickville sign atop the slate mound. After descending the mound, you'll turn onto the inaugural section of the Westmoreland Heritage Trail (WHT) until you reach the parking area of our fine Slickville VFD. You're in the final stretch as you head back up Main Street and dash for the finish line in our community festival grounds.

Slickville Centennial 2 Mile Fun Walk

This gentler course will again take you down Main Street Slickville but avoid the climb up Steele Rd. After crossing the County Rd, you can bypass the challenge of Sportsman's Road by hopping on the WHT for a more comfortable walk back to the finish line on the festival grounds. Cheer on the runners as you pass below the Slickville sign on the slate mound.
