**Register now for the  
4th Annual Preston Park Trail Run  
sponsored by  
Friends of Preston Park Foundation.**

NEW THIS YEAR!! A 10k race will be held after the 5k. The 10k course is slightly more difficult than the 5k and uses some different parts of the park. Want a real challenge? A special prize will be awarded to those who run both the 5k and 10k courses and complete "The Preston Park 15k Challenge!"

This is the perfect opportunity to experience Preston Park. Last year, runners, many of whom were first time visitors, enjoyed a wonderful fall day and praised the natural beauty of Preston Park - "Butler County's hidden gem." Be a part of this great day for runners and FPPF!

If you're a runner, the course is not technical but is very runnable. This is a race that you need to experience at least once. Walkers are always welcome. There will be awards after each race.

Food options will be available.
